Dear Business Owner,

We would like to invite you to become a sponsor of the Randolph Youth Soccer Association Fall 2023 Season! As a sponsor at the \$200 level, your company name will be printed on our team t-shirts and your name and logo posted to our website. Sponsors of \$100 and up will have their company name and logo on our website, which is seen by at least 300 local families each soccer season.

As a non-profit organization, we rely solely on sponsorships, donations and registrations fees. Your support will help us to continue to provide this much needed recreational program for the youth in our community. We offer programs for players ages 3 years through 18 years old. Your support will greatly enhance our ability to continue serving these age groups, maintain our fields located in Belcher Park at 60 Pleasant Street, purchase necessary equipment and supplies and cover other expenses for the upcoming fall season.

Our season starts the weekend after Labor Day and runs for eight (8) weeks.

Please return the attached sponsor application form with your contribution by August 25th. Feel free to direct any questions to RYSA Secretary, Alethea Pratt at (781) 963-2936.

Gratefully yours,

Randolph Youth Soccer Association
