Hello,

We would like to invite you to become a valued sponsor of the Randolph Youth Soccer Association (RYSA) for our upcoming **Fall 2025 and Spring 2026** seasons!

RYSA is a non-profit youth sports organization that has proudly served the Randolph community for over 30 years. We rely on the generous support of individuals and businesses—along with grants, donations, and player registration fees—to coordinate both in-town and travel competitive league soccer games throughout the year.

Each year, RYSA serves more than 300 children and families during the fall season alone, with hundreds more participating throughout the winter, spring and summer seasons. Your support will help us provide a much needed safe, inclusive, and enriching recreational soccer program for children ages 3 to 18. In addition to athletic development, our program empowers young people by offering them leadership opportunities through youth coaching and referee training.

With your commitment, we can continue offering the community affordable access to youth sports, keep our very own Belcher Park in great shape, provide quality equipment, and cover vital program needs.
