-Serving 250+ players and local families each year-

Dear Community Partner,

We would like to invite you to become a valued sponsor of the Randolph Youth Soccer Association (RYSA) for our upcoming Fall 2026 and Spring 2027 seasons.

RYSA is a volunteer-led nonprofit youth sports organization that has proudly served the Randolph community for over 30 years. Through our recreational and travel soccer programs, we provide inclusive and positive soccer experiences for children ages three and older while fostering teamwork, sportsmanship, leadership, and community engagement.

RYSA serves more than 250 children during the fall season alone, with hundreds more participating throughout the winter and summer programming. Through games, events, email communications, social media, and community partnerships, RYSA connects with hundreds of local families throughout Randolph and surrounding communities.

Your sponsorship directly supports equipment purchases, field improvements, player development opportunities, coach and volunteer training, youth referee programs, and initiatives that help keep soccer accessible for local families.

In addition to athletic development, RYSA empowers young people through leadership opportunities, including youth coaching and referee training programs that help develop confidence, responsibility, and life skills both on and off the field.

Why Sponsor RYSA?

By partnering with RYSA, your business can:

- Reach hundreds of local families throughout the year
- Demonstrate a commitment to youth development and community engagement
- Increase visibility through events, communications, website recognition, and social media
- Support one of Randolph's longest-running volunteer-led youth organizations
- Help provide accessible recreational opportunities for local children
